CARRY ON!

"Bit by bit" – "Easy does it" – "Rome wasn't built in one day" – these sayings, and a legion of compatible comrades-in-arms, proclaim a truism which we often ignore impatiently and peremptorily thrust aside.

Sustained effort, no matter how slight and inauspicious, makes steady progress against the seemingly unyielding. "Water wears down stones," mused Job (14:19), and Rachel, the beautiful daughter of Akiba's master, showed the as yet uneducated servant how a constant trickle of water had carved a deep groove into hard rock.

Perseverance will triumph, she indicated and sure enough, after years of dedicated Torah study he became a renowned scholar (Ovos d'Rabbi Noson 6:2).

It's a glorious message. Take heart! Despair not! We experienced it in our days magnificently and encouragingly. Those soft, muffled, muted cries for freedom and democracy, brutally repressed for over seven decades in Soviet Russia, toppled a mighty superpower whose arrogant leader once promised to "bury America."

Israel's unrelenting demand for a just and equitable solution anchored in security wore down four decades of fanatical frenzy and hysterical screams of driving Israel into the sea, bringing sworn enemies to reluctant negotiations.

Good will triumph over evil, right over wrong, and justice over perfidy. In the darkness of night, our Chanukkah Menorah proclaims it brightly, as the lights increase, ever so slowly but oh, so steadily.

Rabbi Shlomo Kahn

❧ CONGREGATION NEWS IN BRIEF ❧

... once again our Synagogue resounded with traditional and beloved chants and melodies when our many worshipers gathered solemnly on Rosh HaShono and Yom Kippur, inspired by our talented Cantor Seth Lutnick who was assisted skillfully by Mr. Allan Schuman as auxiliary Chazon and Shofar sounding, Mr. Albert Blank who expertly read the Torah, and Rabbi Kahn who delivered the sermons and conducted the Neilo service ...

... as last year, a visit to the cemetery was arranged prior to the Yomim Noroim for which several members of the Board volunteered to accommodate all who wished to participate in the traditional pre-Selichos visit ...

... solemnity changed to joyous festival spirit for Sukkos, with well attended Yomtov services, Kiddush receptions in the Sukko courtesy of the Sisterhood, Hoshano Rabbo Lernen arranged by Mr. Arthur Hanauer with several hours of Torah study and recitation of Tehillim and a Torah discourse by Rabbi Kahn, ample refreshments served by a group of ladies; the week of festivity was concluded with Shemini Atzeres and Simchas Torah and a reception on Shabbos Bereshis hosted by Rabbi Kahn, Choson Torah, and Mr. Lewis Knurr, Choson Bereshis ...

... a group of members and friends spent an enjoyable and educational morning on November 10th, visiting the Tenement Museum of the Lower East Side and viewing the interesting exhibits of by-gone days ...
