Talmud Class

The Talmud Class meets regularly every Monday evening in the library of the synagogue, the session starting at 8:30 promptly. Members and friends, interested in the study of Talmud, are cordially invited.

Partitioning Judaism

A furor arose when Great Britain began its advocacy of the partition of Palestine. Only dissenting voices were heard, voices filled with protest, opposition and disapproval.

Did you ever pause to consider the partitioning movement in Judaism itself? For many years past, Jewish life has been the subject of partition, dissection, disunity and factionalism. Who has been able to count the numerous cross-sections of Jewish life, its major tendencies and its minor ones, its numerous philosophies and its contradictory points of view.

Jewish life to-day demands less partition of the sacred and significant totality of Judaism. What we need to-day is more harmony and less discord, more unity and less diversity, more dedication to the noble cause of Israel, devoid of the many detracting influences that have weakened and undermined the integrity of our people.

MRS. DAVID S. ANDRON,
 Executive Director.

Ramaz Academy

With the first and second year grades in session and functioning according to our fondest hopes and prayers, enrollment for the kindergarten and nursery classes in the Ramaz Academy is now taking place. Bring your children to the office of the synagogue any morning this week or next, between the hours of 9-12 to register them for these classes.

There is an indescribable feeling of satisfaction in partaking of those things which are spiritually uplifting and meaningful. Your children's attendance at the Ramaz Academy is one of these things, and will give you, as well as the children, spiritual gratification without measure.

JUDGE PANKEN
to Address Men's Club

Hon. Jacob Panken, Judge of the Children's Court will be the guest speaker of the Men's Club at their open meeting on Wednesday, Oct. 27, at 8:30 P.M. The Judge, well-known for his years on the bench, is, a brilliant lecturer and one with a positive and instructive message. The Men's Club audience may be assured of a most enlightening and enjoyable evening.

Following the Judge's address, refreshments will be served and the balance of the evening devoted to a card party. Members, prospective members and all friends of the Men's Club will be welcome.

BEN GOTTFRIED
Appointed Journal Chairman

We are fortunate indeed in having as chairman of the journal this year, Mr. Ben Gottfried, who will direct and head the ad-getting race. Contestants for the first place are Bernard Feifer, Fred Margareten, Murray H. Resnick and of course Ben Gottfried himself. Good luck and God-speed.

Sisterhood Harvest Luncheon

On Monday afternoon, Oct. 25th, the synagogue social hall will be the scene of gay festivity. The Sisterhood, in planning the Harvest Luncheon, has arranged an afternoon that will be unique, interesting and really most enjoyable. Luncheon will be served promptly at 12:30, to be immediately followed by a novel moving picture, and then Bridge. Members are cordially urged to bring their friends and enjoy a delightful afternoon with us.

Old Clothing for the Poor

Every few days any number of poor people come to the synagogue office asking for discarded clothing. There are so many requests that suits, dresses, coats and shoes of almost any size will be acceptable, and gratefully received. Please remember when you go to your closets, these needy people, many of whom are ill, old and helpless, and most of whom are really in desperate want.

WANTED! ADS!

WANTED ADS, AND MEMBERS OF KEHILATH JESHURUN TO OBTAIN THEM . . . UNUSUAL OPPORTUNITY FOR RENDERING SERVICE . . . COMPENSATION COMPLETELY DISPROPORTIONATE TO AMOUNT OF WORK DONE . . . PAYABLE IN SPIRITUAL VALUES.

Cong. Kehilath Jeshurun is conducting its dinner-dance on December 12th at the Rainbow Room. In conjunction with this affair, a journal is being published in order to raise funds for the support and maintenance of our Synagogue.

We do not ask those who cannot procure ads to bring any. We do ask those who can bring ads, but who do not, to give this matter some really serious and profound thought.

Who will assist our congregation if not you who can? It is a comparatively simple matter to say, "I cannot get any ads," but you know deep down in your heart that you *are* in a position to obtain ads, some in smaller amounts and some in larger amounts. **THERE IS NO INDIVIDUAL IN KEHILATH JESHURUN WHO REALLY CANNOT GET ADS!!** Is it fair and just to your fellow-members who devote a great deal of their time to this work—is it loyal to your congregation to do only the *minimum* or nothing at all? Do you really believe that Judaism has advanced and progressed throughout the generations by passive, indifferent and apathetic conduct?

Bethink yourselves! You who can, and *all of you can*, bring ads, perform the *maximum* and make our journal a success.
