### Girl Scouts Hold First Meeting

The first meeting of the Girl Scout Troop held on Wednesday afternoon, December 29th, was well attended. Miss Mildred Cohen, Scoutmistress and Miss Ruth Davies, executive from Headquarters, presided. Great interest and enthusiasm were displayed by those who were present at this introductory meeting.

Girls of 10-14 are urged to join this Troop which is sponsored by Kehilath Jeshurun, and take part in its interesting, educational, athletic and healthful program. Miss Cohen's reputation as leader of girls' groups is far-reaching and well-earned. Mothers are urged to send their daughters to the Troop, for it offers every advantage to girls of this age. The meetings will be held in the Synagogue Social Hall every Wednesday afternoon at 3:30.

## Board of Trustees' Meeting

### Wednesday Eve., January 5th

A brief but important meeting of the Board of Trustees will be held Wednesday evening, January 5th in the Synagogue library. A complete report of the dinner dance will be rendered, and other matters of importance to the Congregation will be discussed. The meeting will start promptly at 9 o'clock, and members of the Board are asked to please be prompt.

### Mazeltoy

It is with sincere pleasure that we extend hearty congratulations to our worthy member, Ludwig Bickhardt, upon the occasion of his engagement to Miss Fritzie Mutterpearl. We know that the happy union of these two fine young people, both of prominent Jewish families, will bring joy and blessing to their dear ones and to the Jewish people.

—o—

An event of great interest and joy to all the members and friends of Kehilath Jeshurun is the announcement of the engagement of I. George Kinzler, son of one of our outstanding families, Mr. and Mrs. Kalman Kinzler, to Miss Isabelle Schlivek, daughter of Dr. and Mrs. K. Schlivek. We extend our heartfelt congratulations to the engaged couple and wish them a life of great happiness and simchoth.

### Reminder

Have you sent a contribution to the Benevolent Fund in return for your Chanukah candles? Many families depending upon assistance from the Benevolent Fund, have been kept waiting for that help this year. If it has escaped your attention, please forward your contribution without further delay.

Please send all announcements for publication in the Bulletin to Mrs. David Andron, editor, on or before Tuesday of each week.

## THE BAZAAR

### What Your Contribution Means

It is generally conceded that the contribution of a package or bundle is the most important activity incidental to a Bazaar. This is true not only because it helps to swell the amount of merchandise that can be sold, but also because of the human qualities involved therein.

They who act on behalf of the Bazaar require encouragement and stimulation. The encouragement that comes from active cooperation indirectly but very concretely makes for the success of the function. When last week, in answer to our call, people began responding with pledges and promises and actual packages of merchandise, we were stirred into increased enthusiasm and activity. Instead of awaiting our further requests, **YOU**—members, friends of Kehilath Jeshurun, take the initiative, **respond before you are called**, communicate with our office and make further plea unnecessary! We are contacting every merchant or business man affiliated with our Institution to participate with us in this undertaking. Don't wait until then. Your early response constitutes the greatest encouragement you can give to our active workers, and insures the success of the Bazaar.

### Sisterhood Meeting to Be Held January 10th

The next meeting of the Sisterhood will be conducted at the home of Mrs. Frederick Margareten at 20 West 86th Street. A very interesting afternoon has been planned, so make note of the date, Monday, January 10th, and arrange to be present.

### Thank You

We are very grateful to Mr. and Mrs. K. Kinzler for the presentation of a typewriter to the Synagogue office, and wish to offer our sincere thanks and appreciation.

## Young People's League

As part of the progressive program of Kehilath Jeshurun to gather each and every member of the family into the splendid work of our Institution, another organization was founded last Monday night. The new Young People's League held its first meeting with every evidence of enthusiasm and genuine interest in the purpose and contemplated activity of the group. Over forty young ladies and gentlemen were present who participated in the discussion and who actively engaged in the pioneer work of the organization.

The general objective of the League will be to bring together socially, the young people of the community. The social purpose will be supplemented by select project work in connection with the Ramaz Academy.

At the first meeting our own Rabbi Joseph H. Lookstein delivered a very masterful and stirring address, expounding the necessity and significance of the Ramaz Academy in the Jewish community of today.

Congratulations are extended to the new League, with invitation to all young ladies and gentlemen to whom Jewish interests and Jewish society are dear.

## Ramaz Academy Notes

With the beginning of the February semester, the Ramaz Academy will include a new upper third year class (3B) on its register. A number of children are already enrolled, and registration is now taking place for additional pupils.

The next Parent-Teachers' meeting of the Academy will be conducted on Wednesday, January 5th in the Synagogue Social Hall at 8:30 o'clock. Mrs. George Jacobs, president of the Association, extends a cordial invitation to all friends of the Academy and urges them to attend this interesting session.
