Young People's League Holds Successful Spring Dance

On Sunday evening, April 10th, our Young People's League conducted its first function. The Spring Dance was very well attended by the members of the League and their friends, and numerous young folk of the neighborhood.

Mr. Nat Kogan, president of the League, and Dr. Alex Winter, chairman of the Dance, reported that they were very pleased with the turn-out and the happy, friendly spirit that prevailed. It was a pleasure indeed, to see the Social Hall filled with attractive girls and young men, happily dancing to the strains of a really good orchestra, and gaily greeting each other.

The next Fund-raising function, the closing affair of the season, will be in form of a "Cocktail Dance" at one of the downtown hotels or clubs, it has been rumored.

The Young People's League meets regularly every other Monday evening in the synagogue Social Hall. The next meeting, postponed a week because of the Passover holidays, will be held on Monday evening, April 25th. At these meetings there is always an interesting speaker, whose lecture is followed by an open forum, dancing, refreshments, and a pleasant social evening.

DAILY SERVICES

During the Week of Chol Hamoed

Morning Services will be held at 7:00 A.M.
Evening Services will be held at 6:20 P.M.

Many Poor Still Unprovided For

The Passover relief program was very serious this year. Our regular quota has not been reached, and as a result, many poor who applied to us for help still remain unprovided for.

We are anxious to send them their little pittance during Chol Hamoed if possible. To many of them this will prove the difference between food and no food for the second part of the holiday.

If you have not sent in your contribution yet, please send it to us at once so that we may care of these thus far neglected unfortunates. It will make your own holiday so much happier to know that you have performed this act of kindness.

Board of Trustees to Meet Wednesday

In advance of the annual membership meeting which will be held later on in the month, the Board of Trustees of the Congregation will hold an important meeting on Wednesday evening, April 20, (Chol Hamoed) in the library of the synagogue, at 8:30. The budget for the year will be presented for approval, and a nominating committee appointed. It is extremely important that every Trustee and Associate Trustee attend this meeting and help us review the past and plan for the future.

Passover in the Synagogue

American Jewry is perhaps the only section of world Jewry able to celebrate a feast of freedom in the midst of a free environment. We hope that our congregants will appreciate this fact and will be with us at services during both days of the holidays.

The Cantor's repertoire will include a number of new selections and congregational melodies. Several new features will be incorporated by the Rabbi in order to make the services more intelligible and more impressive for all.

The sermon on the first day will give a historic survey of exoduses and expulsions and on the second day the survey will treat of the emancipations that the Jew briefly enjoyed through his wanderings in Exile.

Come to the synagogue this Yom Tov and bring your children with you, and by your presence, yes, even by your dress, help add further glory to a holiday already glorious.

Sisterhood News

The next and closing event of the season on the Sisterhood calendar, is the lavish Fashion Show and Tea, scheduled for Tuesday, May 17th. The affair will be held in the Hotel Sherry on Park Avenue, and will be a very gala event indeed.

No efforts are being spared by the active committee, headed by Mrs. Edward Bernard, chairlady, to make this affair "the talk of the town."

Fashions will be displayed by Rhoda and Julia and we are given to understand that a real treat is in store for us.

At the Tea the recipient of the "Mount House Vacation" will be named. Tickets for the vacation are being distributed now by members of the Sisterhood, and may be obtained through Mrs. Harvey Gardner, Chairlady, any member of the Sisterhood, or the synagogue office.

Pupils of Ramaz Academy Hold Model Seder

The pupils of the Ramaz Academy conducted a model seder in preparation of the Passover festival. The seder table was properly set by the children, and the entire Hagodoh read. All the rituals and ceremonies of Pesach were beautifully performed by the children.

It was an inspired pleasure to observe these little children carry out the picturesque and interesting seder ceremonies. The chanting of the kiddush, the asking of the four questions, the traditional replies, the joyous songs, the activity concerning the afikomen; all blended and harmonized into a beautifully conducted and enthusiastically performed seder.

To the children this was not merely the relation of a narrative or Hagodoh. It constituted the translation of thoughts and symbols, understood and appreciated by the children, into living and concrete realities.
