GREETINGS TO ALL OUR READERS

With this issue of the Bulletin, we resume publication of our weekly organ, in which we hope to bring our members and friends in the community, congregational news and announcements.

Throughout the summer we have published a bi-weekly summer edition dealing with the summer activities of the congregation.

In resuming our weekly bulletin, we are issuing the first edition of Volume 28, representing our twenty-eighth year of bringing to our readers such reading matter of congregational activities as we know will interest them.

We hope you have enjoyed a pleasant and restful summer, and we look forward to having you participate in our activities during the coming year.

You and your friends are cordially invited
to attend

"AN INSIGHT INTO THE JUDAISM OF A SAINTED RABBI"

Part II

WITH THE RABBI AND PRESIDENT IN ISRAEL

Rabbi Joseph H. Lookstein was given a reception by Rabbi Issar Yehudah Unterman, Chief Rabbi of Tel Aviv. Present were the Mayor and Vice-Mayor of Tel Aviv, Justices of the Supreme Court, and leading academic personalities from all over Israel.

Max J. Etra was given a testimonial luncheon by Bar-Ilan University. The leading professors of the University and some of the outstanding members of the Knesset were present. Rabbi Joseph H. Lookstein served as toastmaster. Mr. Etra spoke beautifully about Yeshiva University. He extolled the great work of Dr. Belkin, and discussed the strong spiritual ties of the Yeshiva with Israel in general and Bar-Ilan in particular.

WITHIN OUR FAMILY

Birthdays —

Many happy returns of the day to Mrs. Alexander Kommel.

Anniversaries —

Warmest greetings to Mr. & Mrs. Saul J. Lance.

Bon Voyage —

Our blessings for a pleasant journey to Mr. & Mrs. A. Milton Brown, Mr. and Mrs. Oscar Perlberger and Mr. and Mrs. E. Franklin Robbins who have just left on vacation trips overseas. We hope they will return safely to our midst, rested and refreshed.

Member In The News

Our esteemed member Mr. Samuel Rosen acted as Master of Ceremonies at the ground breaking services for the International Synagogue at New York International Airport.

Condolence —

We extend sincere condolences to our devoted member Martin Klein on the loss of his beloved mother.

We pray that the Almighty may spare the bereaved family further grief for many years to come.

HIGH HOLY DAYS RESERVATIONS NOW BEING ACCEPTED

Our Synagogue Office is now prepared to accommodate the residents of our community interested in observing the holidays with us, it was announced by Israel D. Rosenberg, Ritual Director. The overwhelming majority of our members have indicated that they will attend services at our Congregation and we are now in a position to attend to the needs of our neighborhood friends who wish to usher in the new year at Kehilath Jeshurun.

Your Cooperation Please

Just a word to some of our members: when the office communicated with you during the summer in connection with the holy seats, we asked you to return the card that was enclosed, so that we might know whether you will require additional seats for members of your family. We note that some of our members have not returned this card to the office, and while we realize that the matter may have been overlooked completely in the "rush" of vacation plans, we hope our members realize the importance of notifying the office of their plans and needs.

A Small Request

The services this year, will, as always, be impressive and beautiful. Steps are being taken to assure the maximum comfort of our worshippers, so that from both the spiritual and the physical standpoints the services will be enjoyed to the fullest extent. Special attention is called to the fact that we anticipate a capacity congregation at the services, and we expect every seat in the synagogue to be occupied. We therefore urge our worshippers not to bring their children or other guests unless a seat reservation has been made for them.

SUMMER SERVICES HELD REGULARLY THANKS TO CONGREGATIONAL "JEWRORS"

The core of the religious program of any synagogue is the daily minyan. It serves the needs of those who wish to worship daily in public. It gives an opportunity to mourners to recite the Kaddish. It enables one to mark the Yahrzeit of a dear one properly.

In the summertime as the temperature rises, the minyan attendance falls commensurately. The only way to maintain the daily service is through the cooperation of those congregants who remain in the city. We at Kehilath Jeshurun are fortunate that our worshippers readily respond to the need for bolstering minyan attendance.

We would like to thank publicly the following men who volunteered and served one week of Jewry Duty during the summer:

Hyman Abrams
Albert Amitay
Hyman I. Bucher
Herman Davidowitz
Kalman Fulep
Dr. H. Harold Gelfand
Joseph S. Gershman
Benjamin Gottesman
Joseph Jame
Gerald S. Kaufman
Benjamin Kaufman
Abraham R. Kirshon
William Lebowitz
Louis Moskowitz
Leo Ritter
George Schneider
Jacob P. Shulman
George Weiss

Beyond The Call Of Jewry Duty

The following worshippers have done much more than serve one week of Jewry Duty. They are deserving of special commendation for their regular attendance at services both in the morning and in the evening. They are:

Jerry Bruss
Hyman I. Cohen
Nico De Graff
Dr. Theodore R. Fink

RABBI HASKEL LOOKSTEIN TO GIVE SLIDE REPORT ON ISRAEL TRIP

This Wednesday evening, September 16th, at 8:30 P.M., the Kehilath Jeshurun Adult Institute will sponsor a special slide lecture to be given by Rabbi Haskel Lookstein.

The Assistant Rabbi, who has recently returned with his bride from a honeymoon trip to Israel, will discuss "Israel—A Land of Charm, Grandeur and Dynamism."

Aided by Mrs. Lookstein, the rabbi will show some of the beautiful color slides which he took in Israel, spanning the country from Metulla in the North to Eilat in the South; from Tel Aviv in the West to Tiberias in the East.

Our readers are invited to attend a lecture which promises to make the Land of Milk and Honey shine vividly before our eyes and in our hearts.

Speaking of milk and honey, light refreshments will be served at the close of the lecture.
