The Class of 1960 at Ramaz High School has superseded the exemplary traditions of its predecessors. Thirty-one seniors distinguished themselves in every facet of academic life. The college entrance record of these students shows that they were admitted to the finest institutions of higher learning in the country.

Barnard, Columbia, Cornell, Harvard, MIT, NYU, Pennsylvania, Pratt, Princeton, Sarah Lawrence, Stern, UCLA and Yeshiva are only some of the 23 colleges to which the students have gained admittance thus far.

Scholarships

Ramaz School year after year has the highest percentage of Regents scholarship winners of any school in New York State. This year was no exception. Of the 31 graduates, 22 have already won Regents scholarships; 8 have won State scholarships for engineering; one was cited by the Mayor's Committee on Scholastic Achievement.

National Honors and Distinctions

The list of national honors won by our students includes,

- 1 National Merit winner
- 3 National Merit Certificates of Merit
- 12 National Merit Commendations

We are pleased to note the achievements of the academic set in our community. The information appearing here is based solely upon the response of our readers to our request for this material.

Barry Eichler has been awarded a three thousand dollar National Defense Language Fellowship for advanced study in Arabic at the Bernard Revel Graduate School of Yeshiva University. He was graduated from Yeshiva College this week and will also be studying at the Rabbi Isaac Elchanan Theological Seminary. Barry was awarded a prize for excellence in all studies at college and another prize for the greatest potential in Jewish education.

Gabriella Fulep was graduated with honors from Julia Richman High School and will attend Queens College in the fall. She received the Generoso Pope award and the Mayor's citation for her scholastic achievement and service.

Gilbert Kahn was graduated from New Rochelle High School and will attend Columbia College in the fall.

William F. Kingson was graduated from the University of Rhode Island.

Alan Shapiro was graduated from the Bronx High School of Sciences and will attend Yeshiva University in the fall.

David Steinberg received his doctorate in chemistry from New York University.

Our very best wishes to these young people and to their families upon attaining these academic milestones. May all the students in the congregation continue to increase their intellectual horizons.

ROBERT JACOB PIK
BAR MITZVAH

We extend heartiest Mazel Tov greetings to Mr. and Mrs. David Pik on the occasion of the Bar Mitzvah of their son Robert.

The Bar Mitzvah celebrant is in the seventh grade of the Ramaz School, where he has been a student since kindergarten. His favorite subjects are science, social studies, Bible, and Jewish history. Robert is the seventh grade class representative in the student organization. His favorite sports are baseball and tennis.

Robert will read the portion of the week and will chant the Haftorah at services this Saturday. The entire congregation will be the guests of Mr. and Mrs. David Pik at the kiddush following the services.

MEN'S CLUB PLANS

(continued from page 1)

A new committee was organized to serve as the Adult Education Committee of the Men's Club. This group will serve with the Adult Education Committee of the congregation to formulate programs for the Adult Institute next year. The chairman of the committee is Abraham R. Kirshon and the co-chairman is Lewis D. Siegel.

The committee make-up, together with the plans for next season, augurs well for a year which will be a stimulating one for the members of the Men's Club and their friends.

6th ANNUAL TORAH LEADERSHIP SEMINAR FOR TEENAGERS

At the end of this summer, Yeshiva University will sponsor its 6th annual Torah Leadership Seminar for teenagers from all parts of the United States and Canada. The seminar will be held during a 12-day period from August 25 to September 5 at Camp Monroe, about 40 miles from New York City.

The program will present to teenagers a memorable experience in Jewish living. It will include Jewish studies, the cultivation of leadership skills, the understanding of group dynamics, and recreational activities.

Many teenagers from our congregation have already attended these seminars in the past and have come back unanimously enthused and inspired. We are very anxious to have a large delegation from our congregational youth at the seminar this year. Rabbi and Mrs. Haskel Lookstein plan to spend a full week at the camp during the course of the seminar.

For further information, contact the assistant rabbi at the synagogue office.
