MAIN SYNAGOGUE UNDERGOES RENOVATION

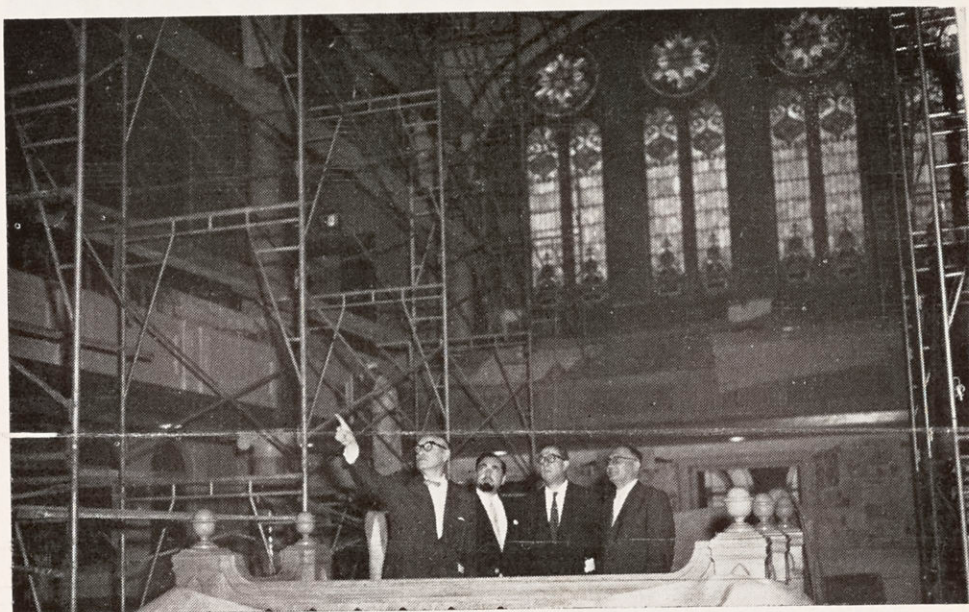

While Sabbath services are being held in our air-conditioned auditorium, a complete face-lifting job is being performed in the main synagogue.

Worshippers in the fall will find our main sanctuary more beautiful than ever as the result of a complete painting job. In addition, they will find it easier to follow the services with the new lighting which is being installed.

The rest of our building is also receiving attention. The auditorium has been outfitted in dignity to serve as a temporary place of worship, and classrooms will be painted, desks will be refinished, and consultation is now under way for the redecoration of our social hall.

This program is under the direct supervision and guidance of our House Committee, whose members have been on call through the summer. We are deeply grateful to Oscar Perlberger, chairman, Jacob P. Shulman, co-chairman, Alexander Gross and Sidney Flatow for their arduous labors in behalf of the synagogue. A special note of thanks should be extended to Fred Haas whose services as consultant and supervisor were made available to us by our esteemed trustee Samuel Rosen.

Naturally, such extensive work is not inexpensive. When, therefore, you are approached by one of our trustees for a contribution to this year's Annual Synagogue Appeal, try to be as generous as you can. We have every reason to be proud of our House of God. We will be even more gratified as it appears more beautiful than ever through our collective efforts.

TISHA B'AV IN OUR SYNAGOGUE

Tisha B'av Eve

Tuesday, August 2, 1960 — Tisha B'av

Morning Service 7:30

Conclusion of Fast 8:35

The fast of the ninth day of Av brings to a climax a three week period of mourning for the destruction of the first and second Temples in Jerusalem and the first and second Jewish Commonwealths in the Holy Land, in 586 B.C.E. and 70 C.E. respectively.

Tradition also tells us that on that day the children of Israel heard the decree that they were destined to wander forty years in the wilderness; the Bar Cochba rebellion against Rome in 135 C.E. was finally crushed, and the site of the Temple was ploughed under.

The Ninth of Av has, therefore, become a day which commemorates every national tragedy which befell

the Jewish People throughout its history. This includes the most recent calamity: the systematic annihilation of six million Jews during the reign of Nazi terror in Europe.

The observance of Tisha B'Av will begin in our synagogue on Saturday, July 30-Shabbat Chazon. On that day the prophetic portion will be read in the melody of Lamentations. Rabbi Haskel Lookstein will preach a special sermon at 10:45. In the evening, at 7:15 the assistant rabbi will conduct a class in the laws and significance of this mourning period.

On Monday evening, August 1, the Tisha B'Av evening service will be held following Mincha at 8:00. Lamentations will be read, appropriate dirges will be recited, and special readings and interpolations will be rendered to make the mood of the day more meaningful and inspiring.

On Tuesday morning, selected dirges will be recited as part of the regular service.

Make a special effort to be with us in the synagogue for the observance of Tisha B'Av and may we all be comforted among those who mourn for Zion and Jerusalem.
