DR. SAMUEL BELKIN TO BE HONORED AT YESHIVA UNIVERSITY DINNER, SUNDAY, DEC. 7 AT WALDORF

Congregation Kehilath Jeshurun is proud to invite its members to join in celebrating Dr. Samuel Belkin's election as Chancellor of Yeshiva University at a special Dinner in his honor on Sunday, December 7th at 5:00 P.M. in the Waldorf Astoria.

Irwin Shapiro will head our delegation to this unique event, together with our rabbis and officers and our Honorary President Max J. Etra, Chairman of the Board of Trustees of Yeshiva University. We are most anxious to have as large a delegation as possible for the occasion.

A Past Trustee

Dr. Belkin, who is recuperating from recent illness, worshipped for many years in our midst. He was an esteemed Trustee of K. J. He presided at the convocation in Rabbi Joseph H. Lookstein's honor at the latter's 25th Anniversary at the congregation and he proposed the election of Rabbi Haskel Lookstein as a rabbinic assistant at Kehilath Jeshurun following the latter's receiving s'micha in June 1958. He has thus been deeply involved in the life of our congregational family.

Now it is our turn to demonstrate

Would You Like to Share a Kiddush?

The Sisterhood has announced that it would be happy to accept shared sponsorships of the Shabbat morning Kiddush. The cost of sponsoring a Kiddush is \$75.00. In the future, a Kiddush may be sponsored by one, two or three families with a corresponding reduction in the charge.

The Sisterhood hopes that this kind of an arrangement will make it possible for more families in the Synagogue to share joyous occasions or significant anniversaries with the entire Congregation by joining in a Kiddush Sponsorship.

Those interested in such a sponsorship are asked to call Rabbi Lavit at the synagogue office.

In Memoriam

Emil Mandelbaum

We mourn the passing of an esteemed Trustee of the congregation who was proud of his association with Kehilath Jeshurun and who reflected that pride in generous support of our activities.

Goodness and generosity were the outstanding qualities of this warm and enthusiastic Jew, descended from a Hassidic tradition. He demonstrated these qualities abundantly as a loving husband, an exceptionally devoted father and a beloved brother.

We pray that his wife, Sara, his daughter Mrs. Harry Kleinhaus and his sister Mrs. Alexander Gross, together with the entire family, may be comforted among us all who mourn for him, for Zion and for Jerusalem.

FRIDAY NIGHT AT THE SYNAGOGUE

FIRST NIGHT OF CHANUKAH

November 28th

The Men's Club invites all of us to
its 3rd Annual Friday Night at the
Synagogue proper. This year it will
take place on the first night of Chanu-
kah, November 28th, starting with
services at 4:30 P.M.

The order of the evening is as fol-
lows: Mincha, Kabbalat Shabbat and
Ma'ariv in the Main Synagogue; a
Shabbat Dinner in the Kamber Aud-
itorium; z'mirot, camaraderie and a
great time for adults and children.

Special Guest

By a happy coincidence we will
have an extraordinary guest in our
midst that Shabbat. He is Colonel
Nahum Alshansky of Minsk, who at

age 86 was allowed to emigrate from
Russia to Israel. He will be spending
Shabbat with the Eisenstats who met
him a year and a half ago in Minsk.
Colonel Alshansky will join us for
services and dinner and, if time per-
mits, share with us some of his inspir-
ing experiences and thoughts.

We expect this program to be a very
popular one. Please, therefore, send in
your reservations — with check — with-
out delay. Space is limited and the
evening is open to the entire commu-
nity. The cost is \$6.00 for adults and
\$3.50 for children under the age of
15.

Let us hear from you today.

"WE SHALL NEVER FORGET"

On Friday, October 17th, following the infamous vote in the Third Com-
mittee of the U.N. branding Zionism as Racism, Ambassador Chaim Herzog
delivered a memorable, ringing response. This response was — quite incompre-
hensibly — omitted entirely from the N. Y. Times' Saturday account of the vote
and debate. We print it here, courtesy of the Jewish Telegraphic Agency, for the
edification of our readers.

H. L.

"We have listened to the most unbelievable nonsense on the issue of Zionism
and from whom? From countries who are the archetypes of racism. I ask you, does
it not beg the question? Here is a small country three million in population, a
free democratic country, which can be visited by anybody, in which all citizens
Jewish and Arab are free and equal being castigated, hour in, hour out, by
countries whose regimes practice racism, incongruate racism in their laws and
their daily practice. Does it not beg the question?

"Why not examine the racism practiced in so many countries who have been
speaking so profusely? Why pick on a small Jewish State? I suspect because it is
Jewish and small. It doesn't surprise me . . . because we are a people who have
lived with this form of discrimination, anti-Semitism for centuries.

'Pernicious Anti-Semitic Resolution'

"How dare you talk of racism to us, we who suffered more than any other
nation in the world from racist theories and practices, a nation which has suffered
the most terrifying holocaust in the history of mankind. For centuries we have
suffered from racism, we suffer today from racism in a number of countries in-
cluding from Arab racism as practiced in so many of the sponsor countries.

"The sponsors have the effrontery to talk of racism. It lies not in your mouths.
You have degraded this world organization by introducing this anti-Semitic element
into the world today, and in so doing you will destroy it ultimately. My dele-
gation regrets its inability to vote in favor of this resolution because it is linked
. . . to a wicked and pernicious anti-Semitic resolution. The sponsors have by
their action in introducing an extraneous irrelevant matter here contrived to destroy
a consensus on the issue of racism and indeed to endanger the entire Decade
for Action. Therefore, we shall vote against the entire item in all its various
resolutions . . .

"This is a sad day for the United Nations. The Jewish people will not forget
this scene nor this vote. We are a small people with a proud history. We have
lived through much in our history. We have survived all our oppressors and
enemies over the centuries. We shall survive this shameful exhibition. But we
the Jewish people shall not forget. We shall not forget those who spoke up for
decency and civilization and I thank the delegations who have expressed them-
selves against this pernicious resolution. We shall not forget those who voted to
attack our religion and our faith. We shall never forget."
