A PRAYER FOR THE NEW YEAR — 5743

May it be thy will O Lord our God and God of our fathers that you abolish war and bloodshed from our world and establish a great and magnificent peace.

May nation not lift up sword against nation or learn how to wage war but rather may all the inhabitants of the earth perceive and understand that we did not come to this world for the purpose of rift and divisiveness or for hatred, jealousy, incitement and bloodshed, God forbid. Rather, we came to this world in order to recognize and understand You.

May the promise of the Torah be fulfilled: "And I shall establish peace in the land and you shall lie down without fear; and I shall remove all the wild animals from the earth and the sword will not touch your land."

O' God of peace; Bless us with peace.

All members, their families and friends, and neighbors
and guests of our community

WELCOME TO RABBI AND MRS. DALE POLAKOFF

We are very pleased to welcome our new Assistant Rabbi, Dale Polakoff, and his wife, Gail, together with their two sons Ephraim and Yosef. They moved into our community early in July and Rabbi Polakoff has already given abundant evidence of the beautiful qualities of heart and mind which he will bring to the service of the Kehilath Jeshurun family.

Our new Assistant Rabbi was ordained in June by Yeshiva University from which he also received a Master's degree in Jewish education. He holds a B.A. in psychology from Yeshiva, *summa cum laude* and he studied in Yeshiva's Kollel under Rabbi Hershel Schachter for the past two years.

Rabbi Polakoff's communal experience includes his voluntary service as a rabbi in Congregation Ahavath Yisrael in Morristown, New Jersey, and an important professional association with Congregation K'hal Adath Jeshurun in Washington Heights.

We look forward to a long and happy association with Rabbi and Mrs. Polakoff and their children.

SHOFAR TIME 10 O'CLOCK

We call to the attention of our worshippers that the sounding of the *Shofar* on the second morning of Rosh Hashanah will take place at approximately 10 o'clock.

Please plan to be in attendance at services by that hour so that you will be present for this important religious observance.

SPECIAL CEREMONIES FOR ROSH HASHANAH

Although we usually think of the High Holy Days in terms of the Synagogue Service, there are many beautiful ceremonies that take place outside the House of God.

At The Table

The festival is ushered in by the lighting of candles over which the special festival blessing is recited. The special benediction "*Shehecheyanu*" is added.

After the reciting of kiddush and the washing of hands, a "*motzi*" is made over 2 round challahs (symbolizing the cycle of the year) and the bread is dipped into honey before it is eaten. The symbolism concerning a sweet year is readily apparent. The use of a round challah and the dipping of the bread into honey is continued for the entire High Holy Day season, ending with Hoshanah Rabbah.

On the first night of Rosh Hashanah, an apple is dipped into honey. Before tasting the apple, the blessing over fruit is recited. After tasting the apple, a special prayer is recited: "May it be Thy Will to grant us a good and sweet year."

On the second night, it is customary to wear a new garment and to have it in mind

when the blessing "*shehecheyanu*" is recited as part of the kiddush. In addition, a new fruit, not previously enjoyed this season, is eaten. Before eating the fruit, the blessing over fruit is recited and the "*shehecheyanu*" is added.

Tashlich

Since Rosh Hashanah falls on Shabbat this year, the Tashlich ceremony occurs on the second day of Yom Tov, Sunday. This ceremony takes place in the afternoon along the banks of a river or some other body of fresh water. Appropriate prayers are recited as part of this mystical custom, indicating our desire to cast off all sins from our persons and correct our ways.

In our community, we customarily gather for Tashlich before Mincha, between 5:00 and 5:30 PM, near the 85th Street entrance to the reservoir path in Central Park.

Rosh Hashanah Greetings

On Rosh Hashanah, upon leaving the Synagogue, all extend the High Holy Day greeting: *לשנה טובה תכתבו*

"May You Be Inscribed for a Good Year."

TWO SUGGESTIONS FOR YOM KIPPUR

The Day of Atonement is, among other things, a day of self-denial. In addition to avoiding food, drink, washing and the use of lotions and oils, Jewish tradition calls for refraining from the wearing of leather shoes.

The reason for this provision is that wearing a proper pair of shoes makes one feel complete and well-groomed. It is precisely the absence of that feeling of completeness which is called for on the Day of Atonement. Through this mood of moderate self-denial, we are moved to prayer, penitence, and wholesome introspection.

May we request of our worshippers to take a step in the direction of Jewish tradition by arranging for a pair of non-leather footwear for Yom Kippur this year. An am-

ple selection is available in any shoe store. We think you will find that conforming with this practice will help you to derive more from the most meaningfully day on the Jewish calendar.

And For the Men...

Increasingly each year more men worshippers in the congregation don the traditional kittel for Yom Kippur. This garment, reflecting purity and simple piety, very much enhances the experience of repentance on Yom Kippur. Why not reinstitute this practice in your family for this Yom Kippur? Mr. Rosenberg will be happy to arrange for a kittel for you if you will simply call the synagogue office. Or, you might want to go down to the Lower East Side and select a kittel personally.

YOM KIPPUR CANDLE LIGHTING

Provision has been made for the kindling of candles in the Synagogue House on Yom Kippur eve, Sunday, September 26, prior to 6:15 PM. Women will be directed to the proper place designated for the kindling of candles upon entering the synagogue building.

SOUND THE SHOFAR FOR THEIR FREEDOM

O God, sound the great shofar for our freedom, raise high the banner to gather our exiles . . .
(Rosh Hashana liturgy)

During this past year, it has been easy for those of us who live in freedom to overlook the fact that three million of our brothers and sisters in the Soviet Union are not free — and that *they can no longer leave the USSR*. Today Soviet Jews are trapped in a place where Jewish life is not tolerated and Jewish leaders are harassed and imprisoned. Yet the gates of emigration have been slammed shut. Soviet Jewish emigration has plummeted by 94% since 1979. Just three years ago, over 51,000 Soviet Jews emigrated to freedom; this year less than 3,000 may be permitted to leave.

This Rosh Hashana, the blast of the shofar must awaken us to action on behalf of our fellow Jews. The shofar's notes, strident and disturbing, should startle us; they should shatter our complacency as if a piercing alarm had been sounded. For the cur-

rent situation is unprecedented in the history of the Soviet Jewry movement.

Now is the time to become involved. Call the Greater New York Conference on Soviet Jewry (212-354-1316) to find out what you can do. Dial the GNYCSJ Action Line (212-391-0954) and listen to a weekly update on events in the Soviet Union and suggested activities.

And you can begin to respond to the shofar's call to action by joining in a demonstration of support for Soviet Jews' right to emigrate. **The demonstration will take place on Thursday, September 16, at 12:30 p.m. at the Shcharansky steps, 1st Avenue between 45th and 46th Streets opposite the United Nations.**

Together, we will sound the great shofar for freedom.

SOUNDING THE SHOFAR FOR THOSE AT HOME

Anyone in the community who will not be able to attend the synagogue services and would like to perform the mitzvah of hearing the Shofar sounded on Rosh Hashanah can arrange to do so by contacting our Ritual Director, Mr. Israel Rosenberg at the synagogue office.

In Memoriam

Sara Goldsmith

We mourn the passing of an elegant Jewish lady who graced our congregation for more than thirty years. She died after a long illness shortly before the fiftieth anniversary of her marriage to Mr. A. Philip Goldsmith, a former Vice President of the congregation and for many years the Chairman of the Board of Trustees of Ramaz School.

Mrs. Goldsmith had a passion for doing things well, precisely and with an esthetic sense. That was the way in which she conducted her personal life and her communal life as well. Many will remember the beautiful luncheon which she ran for the Sisterhood of the congregation which set a standard for those that have been held since.

The mother of our cherished member Ellyn Radel and of Lynda Strulovic, she was a fine example for her children and grandchildren in how to do the best and reach for the highest even when the circumstances of life made pain and difficulty a daily preoccupation. We will miss her in our community.

Milton Berkowitz

We mourn the passing of a beloved Trustee of Kehilath Jeshurun who was a past President of its Men's Club and delightful and warm friend to many members of our community.

Milton Berkowitz was the head of a fine family including his wife, Barbara, a past officer of our Sisterhood and his sons, Jerry and Steven, who were reared in our congregation and in Ramaz. He took pride in every aspect of KJ and devoted himself willingly and tirelessly to the well being of the community.

We will always remember him for his smile and warmth, for that unforgettable theatrical performance with the Couples Club, for his *davening* before the *amud* and for his *schep-ping nachas* while his sons read the Torah or Haftorah in shul.

His courage in these past years and his continued, vigorous involvement in Jewish life despite illness and weakness will serve as a standard for all of us to remember and emulate.

Joseph Kallus

We mourn the passing of a senior citizen of our community who recently joined our congregation. The father of our dear member, Rita Abraham, he was a creative personality blessed with talent, taste, and inner strength.

May his memory be blessed.
