THE 18th ANNIVERSARY OF ISRAELI INDEPENDENCE WILL BE CELEBRATED AT A BRUNCH FOR THE UNITED JEWISH APPEAL ON SUNDAY MORNING, MAY 15th

Have you made your reservation? You should be there to be counted as one who is ready to do his share so that Israel will be able to defend herself and survive.

Your contribution to UJA this year is an affirmation of belief in the future of the Jewish people, an indication that we support with all the power at our command their unflinching determination to attain freedom and the right to live at peace.

The United Jewish Appeal is dedicated to the Jewish future because it is dedicated to saving life and to extending the opportunities for freedom and happiness for those who are oppressed, imperilled and

impoverished. A gift to UJA is a contribution to humanity's cause — for the sake of the generations yet unborn. A gift to UJA is an act in defense of life and freedom. Every Jew who believes that Israel should be allowed to live, and exist, must help according to his means.

Both men and women are invited to our UJA Brunch which will take place Sunday morning, May 15th in our own Synagogue Grand Ballroom. Please call our Synagogue, TR 7-8281, and leave word that you will be present.

Herman H. Cohen,
Brunch Chairman

DECLARATION OF INDEPENDENCE OF ISRAEL

The land of Israel was the birthplace of the Jewish people. Here their spiritual, religious and national identity was formed. Here they achieved independence and created a culture of national and universal significance. They wrote and gave the Bible to the world.

Impelled by this historic association, Jews strove throughout the centuries to go back to the land of their fathers and regain their Statehood. In recent decades they returned in masses. They reclaimed the wilderness, revived their language, built cities and villages, and established a vigorous and ever-growing community,

Israeli Declaration*(Continued from Page 1)*

with its own economic and cultural life. They sought peace, yet were prepared to defend themselves. They brought the blessing of progress to all inhabitants of the country.

On November 29, 1947, the General Assembly of the United Nations adopted a Resolution for the establishment of an independent Jewish State in Palestine and called upon inhabitants of the country to take such steps as may be necessary on their part to put the plan into effect.

This recognition by the United Nations of the right of the Jewish people to establish their independent state may not be revoked. It is, moreover, the self-evident right of the Jewish people to be a nation, like all other nations, in its own sovereign state.

Accordingly, we, the members of the National Council, representing the Jewish people in Palestine and the Zionist movement of the world, met together in solemn assembly today, the day of the termination of the British Mandate for Palestine, and by virtue of the natural and historic right of the Jewish people and of the resolution of the General Assembly of the United Nations, hereby proclaim the establishment of the Jewish State in Palestine, to be called Israel.

The State of Israel will be open to the immigration of Jews from all countries of their dispersion; will promote the development of the country for the benefit of all its inhabitants; will be based on the precepts of liberty, justice and peace taught by the Hebrew Prophets; will uphold the full social and political equality of all its citizens, without distinction of race, creed or sex; will guarantee full freedom of conscience, worship, education and culture; will safeguard the sanctity and inviolability of the shrines and Holy Places of all religions; and will dedicate itself to the

principles of the Charter of the United Nations.

Our call goes out to the Jewish people all over the world to rally to our side in the task of immigration and development and to stand by us in the great struggle for the fulfillment of the dream of generations — the redemption of Israel.

With trust in Almighty G-d, we set our hand to this Declaration, at this Session, of the Provisional State Council, in the city of Tel Aviv, on this Sabbath Eve, the fifth of Iyar, 5708, the fourteenth of May, 1948.

ANNUAL APPEAL FOR MANHATTAN DAY SCHOOL AT OUR YIZKOR SERVICES

On the last day of Passover an appeal was made in our Synagogue by Rabbi Reichel and Mr. Charles Bendheim for one of our most important local educational institutions the Manhattan Day School (Yeshiva Ohr Torah). It offers to over 400 students in elementary school and kindergarten an intensive program of Jewish as well as secular studies. It is recognized as one of the outstanding Yeshivos Ketanos in the country and has served as a model school for many communities.

Those who were present at the Yizkor Service responded most generously. Those who were not in Synagogue should also join in support. Checks made payable to "Manhattan Day School" may be sent to our office. The names of all donors will be listed in the "Review."
