Passover 5737

PLEASE NOTE SPECIAL LAWS
 FOR EREV PESSACH SATURDAY
 APR. 2 MORNING SERVICES
 EARLY AT 7:30

What is Chometz?

Wheat, rye, barley, spelt and oats in contact with water become *chometz* unless prepared according to Jewish law. All vegetables and fruits may be used except rice, millet, peas and beans. If in doubt ask the Rabbi.

Kashering

Metal pots and pans can be *kashered* by first thoroughly cleaning them at least a day before purging them in a vessel of boiling water. Utensils used directly over the fire may be *kashered* directly over the fire, allowing them to get red hot. Earthenware cannot be *kashered*. The Synagogue facilities for *kashering* will be available on Thursday, March 31st, from 10:30 to 11:30 A.M.

Every part of the stove must be cleaned and heated to a glow. Special tin sheets are placed over the top of the range.

Kashrus Directory

A guide to Passover foods published by the "O-U" is available free of charge in our Synagogue office.

Fast of the First-Born

The fast of the first-born, which is usually observed on *Erev Pessach*, in thankfulness to G-d for having spared the first-born of the Israelites in Egypt, will be observed this year on Thursday, March 31st. One may forego the fast by participating in a *Siyum Bechorim*, celebrating the completion of study of a Talmudic Tractate, which takes place after both our Thursday morning services.

Sale of Chometz

Since we may not possess *chometz* on Passover it is necessary to transfer ownership of *chometz* before Passover out of bounds. Rabbi Pekier will be available for the sale of *chometz* during the hours of daily services. For those who cannot come to the Synagogue the coupon may be used.

I (we) hereby authorize Rabbi O. Asher Reichel to dispose of all *chometz* in my (our) possession before Passover 5737 in accordance with Jewish Law.

EREV PASSOVER [continued]

Saturday matzah should not be eaten until the Seder.) For those who wish to use challah instead of egg matzah for *Hamotzi*, smaller ones kept clear from the *Pessachdig* areas should suffice. Our Saturday morning services will begin at 7:30 and be completed by 9:00 o'clock so that the *Hamotzi* for the Sabbath meal, if it be challah, be consumed 9:53 A.M.

On Saturday morning all the remaining *chometz* should be flushed down before the second *Kol Chamira* which should be recited by 10:57 A.M.

Since it is required to eat three meals on Saturday, the third meal (*Seudah Shlishis*) should consist of fruit, vegetables or fish, without any matzah. Thus we may look forward with anticipation to eating the matzah at the Seder.

Seder preparations may not be made before the termination of the Sabbath. Please note that egg matzah, recommended for Friday night and Saturday morning, cannot be used for the *mitzvah* of matzah nor is it generally used on Passover.

Counting of the Omer

The Counting of the Omer begins on the second night of Passover, and continues each evening until Shavuot. The Omer was a measure of barley which was offered at the Temple on the second day of Passover after which it was permitted to eat from the new harvest.

During the period of counting the Omer, many tragedies occurred. Thus weddings, and other celebrations involving music are avoided. There are special days exempt from the prohibition.

Chometz After Passover

Chometz products in the possession of a Jew during Passover are considered "*Chometz she-avar alav ha-Pessach*"—prohibited products held during Passover. We are not permitted to derive any benefit from such products. At the conclusion of Passover one should not use any Jewish baked products until certain that the products have been freshly baked.

SHABBOS SHEKOLIM APPEAL

Our annual appeal is made on behalf of over thirty institutions of Torah in the Holy Land and in the United States. We urge all our readers to participate in this vital effort for the worthy and needy Yeshivos. The names of the donors will appear in the *Review*.
