PASSOVER 5740

Shabbos Hagadol

The Saturday before Passover is called "Shabbos Hagadol" or the Great Sabbath. At the Minchah service we read a part of the Passover Haggadah. Rabbi Reichel will deliver a discourse on laws relating to the Festival at the morning service.

What is Chometz?

Wheat, rye, barley, spelt and oats in contact with water become *chometz* unless prepared according to Jewish law. All vegetables and fruits may be used except rice, millet, peas and beans. If in doubt ask the Rabbi.

A guide to Passover foods published by the O-U is available free of charge in our Synagogue office.

Kashering

Metal pots and pans can be *kashered* by first thoroughly cleaning them at least a day before purging them in a vessel of boiling water. Utensils used directly over the fire may be *kashered* directly over the fire, allowing them to get red hot. Earthenware cannot be *kashered*. The Synagogue facilities for *kashering* will be available on Sunday, March 30th, from 10:30 to 11:30 A.M.

Every part of the stove must be cleaned and heated to a glow. Special tin sheets are placed over the top of the range.

Search for Leaven

The ritual searching for *chometz* (*Bedikas Chometz*) with the aid of a candle light is to be conducted with the entire household on Sunday, March 30th, after sunset. All leaven which we did not find during the search is then annulled by the recitation of "Kol Chamira" (the text is found in the introduction of many Haggadahs). The crumbs which were collected at night should be burned by 10:30 on the morrow when the second "Kol Chamira" should be recited.

No matzah may be eaten on Erev Pessach because we should eat matzah at the Seder with appetite.

Fast of the First-Born

Every first born should fast on Erev Pessach, in thankfulness to G-d for having spared the first born of the Israelites when He smote those of the Egyptians. One may forego the fast if he participates in the "Siyum Bechorim" which takes place after each of our morning services on that day.

In regard to the times listed for lighting the candles and the terminations of the Sabbath, we should be aware of the Talmudic dictum: "At its entrance, the earlier we can make it the better, but at its exit, the longer we can defer it the better... we add from the profane on to the holy."

Attend the daily morning and Minchah services in order to assure our uninterrupted Minyanim.

Chometz After Passover

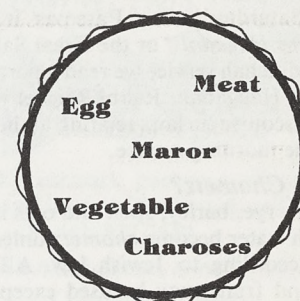

Chometz products in the possession of a Jew during Passover are considered "chometz she'aver alav ha-Pesach" — prohibited products held during Passover. We are not permitted to derive any benefit from them.

ANNUAL MEMORIAL
WEDNESDAY MAY 7

The annual memorial evening for those whose names appear on the plaques in the Synagogue will be held on Wednesday, May 7th at 8:20 P.M. The service will be conducted by Rabbi Reichel and Cantor Silverman.

The families of the departed are notified of the *Yahrzeits*. These names are read at our Yizkor services.

PASSOVER continued

The Seder Plate

The roast shankbone and egg symbolize the Paschal lamb and festive offering in Temple times. The parsley (*karpas*) dipped in salt water, the bitter herbs (*maror*), and mixture of apples, nuts and wine (*charoses*), recall the servitude and toil of our ancestors in Egypt. Please note that romaine lettuce may be used for *maror*.

Counting of the Omer

The Counting of the *Omer* begins on the second night of Passover, and continues each evening until Shavuot. The *Omer* was a measure of barley which was offered on the second day of Passover on the Temple mount after which the new harvest was permitted to be eaten.

During the period of counting the *Omer* many tragedies occurred. Thus weddings and other celebrations are avoided. Certain days are exempt from the prohibition.

SALE OF CHOMETZ

Since we may not possess *chometz* on Passover it is necessary to transfer ownership of *chometz* before Passover out of our bounds. Rabbi Pekier will be available for the sale of *chometz* during the hours of daily services and Erev Pessach morning up to 9:00 o'clock. For those who cannot come to the Synagogue the coupon may be used.

I (we) hereby authorize Rabbi O. Asher Reichel to dispose of all Chometz in my (our) possession before Passover 5740 in accordance with Jewish Law.

SABBATICAL YEAR

This is a Sabbatical year (*Shemithah*) as taught in *Vayikra XXV*. There are farmers in Israel who do not cultivate the soil this year in accordance with the opinion of religious authorities that *Shemithah* is still to be observed nowadays. Our readers are urged to contribute to the funds to aid these farmers and their families during the year. All of the major Orthodox rabbinic and lay organizations are endorsing this effort. Checks should be payable to *Keren HaShemithah* or to the WSIS earmarked "Shemithah Fund," and sent to the Synagogue office. Contributions are tax exempt.
