## PASSOVER 5741

EREV PESSACH SATURDAY APRIL 18  
MORNING SERVICES EARLY AT 6:45

### What is Chometz?

Wheat, rye, barley, spelt and oats in contact with water become *chometz* unless prepared according to Jewish law. All vegetables and fruits may be used except rice, millet, peas and beans. If in doubt ask the Rabbi.

A guide to Passover foods published by the O-U is available free of charge in our Synagogue office.

### Kashering

Metal pots and pans can be *kashered* by first thoroughly cleaning them at least a day before purging them in a vessel of boiling water. Utensils used directly over the fire may be *kashered* directly over the fire, allowing them to get red hot. Earthenware cannot be *kashered*. The Synagogue facilities for *kashering* will be available on Thursday April 16th, from 10:30 to 11:30 A.M.

Every part of the stove must be cleaned and heated to a glow. Special tin sheets are placed over the top of the range.

### Fast of the First-Born April 16

Every first born should fast on Erev Pessach, in thankfulness to G-d for having spared the first born of the Israelites when He smote those of the Egyptians. Inasmuch as this year Erev Pessach is on Saturday, the fast is on the Thursday before. One may forego the fast if he participates in the "Siyum Bechorim," celebrating the completion of study of a Talmudic Tractate, which takes place after each of our morning services on that day at 6:35 and 7:40.

### Bedikas Chometz

The ritual searching for *chometz* with the aid of a candle light, is ordinarily performed the night before the Seder. This year it will be observed on Thursday evening with the recitation of the blessing "...al bi'ur *chometz*" and the first *Kol Chamira* (found in many introductions in the Haggadas). The crumbs collected should be burned on Friday morning by 10:30 without reciting *Kol Chamira*.

The *chometz* sale will be arranged on Friday morning.

**BIRCHAS HACHAMAH**  
**"Blessing of the Sun"**  
**WED. MORN APRIL 8**

This year, the *Machzor Hagadol*, the "Great Cycle," will be completed. This is a 28-year cycle of the sun, bringing the sun back to the same position it was in the heavens at the same time that it was created by G-d. Just as we recite a special blessing when the "Little Cycle," the New Moon repeats itself every lunar month, so too have the Sages ordained a blessing for this "Great Cycle." It always occurs on Wednesday, the day that the sun, moon and stars were created.

The time for the blessing is from sunrise until the third hour of the day (8:46 — if need be, by 11:58). Since it is praiseworthy to glorify the mitzvah, all males should participate in the Synagogue services that morning at 6:45 or 7:50.

First recite Psalms 148 and 150. Then a brief glance in the direction of the sun.

The blessing: *Baruch Ata Ado... Elo... Melech Ha'olam oseh maasei Vreishis.* "Blessed art Thou, L-d our G-d, King of the Universe, Who performs the work of Creation."

Followed by Psalms 121 and 19, the hymn *Keil Adon* and *Aleinu Leshabei'ach*. Additional prayers are found in various publications.

A Hebrew text is available in our office.

**CONGREGATIONAL SEDORIM**

Joint Congregational Sedorim on Saturday and Sunday nights, April 18th and 19th, will be held at Lincoln Square Synagogue, 69th St. and Amsterdam Ave. Rabbi Reichel will officiate at the first Seder and Rabbi Riskin at the second. Reservations must be made before April 9th by contacting our office.

Kindly earmark packages "Bazaar" or leave word in our office to pick up your donations — Phone: 877-7652.

*We need all new merchandise*

Co-sponsored by our  
 Mr. & Mrs. League — Men's Club

**ANNUAL MEMORIAL SERVICE**  
**WEDNESDAY, MAY 13 AT 8:20 P.M.**

The annual memorial evening for those whose names appear on the plaques in the Synagogue will be held on Wednesday, May 13 at 8:20 P.M. The service will be conducted by Rabbi Reichel and Cantor Silverman.

Relatives and friends will participate in the service by lighting the plaques.

The families of the departed are notified of the *Yahrzeits*. These names are read at our Yizkor services.

**MEN'S CLUB NOTES**

**BREAKFAST MEETING SUNDAY APRIL 5**

Members and prospective members of the Men's Club are invited to the monthly Breakfast Meeting on Sunday morning, April 5th, at 10:00.

**PASSOVER NOTES** *continued*

**Shabbos Hagadol April 17**

The Saturday before Passover is called "Shabbos Hagadol" or the Great Sabbath. This year the Sabbath morning service will be held at 6:45 (see section below relating to the Sabbath morning meal). At the Minchah service we read a part of the Passover Hagadah. Rabbi Reichel will deliver a discourse on laws relating to the Festival on the preceding Saturday morning.

**Sabbath Meals Erev Passover**

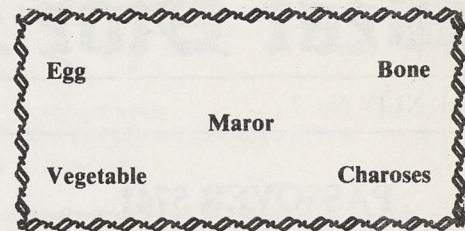

Since it is not permissible to make preparations on the Sabbath for the following day even if it be for a Yom Tov, this year the house has to be made *Pessachdig* on Friday. All foods prepared on Friday should be *Pessachdig* in *Pessachdig* utensils.

On Friday evening and Saturday morning one may use *Pessachdig* egg matzah in place of challah, followed by the regular grace after meals. (On the Sabbath matzah should not be eaten until the Seder.) For those who wish to use challah instead of egg matzah for *Hamotzi*, smaller ones kept clear from the *Pessachdig* areas should suffice. Our Saturday morning services will begin at 6:45 and be completed by 8:15 so that the *Hamotzi* for the Sabbath meal, if it be chometz, and other cold chometz foods, should be consumed by 9:35 (and according to other authorities by 9:17).

On Saturday morning any remaining *chometz* should be flushed down and *chometz* dishes be cleaned and put aside before the second *Kol Chamira* is recited by 10:30.

The third meal (*Seudah Shlishis*) in the early afternoon should consist of fruit, vegetables or fish, without any matzah. Thus we may look forward with anticipation to eating the matzah at the Seder.

Seder preparations, e.g., roasted bone and egg and *charoses*, should be completed before the Sabbath and the Seder table may not be set before the termination of the Sabbath. Please note that egg matzah, recommended for Friday night and Saturday morning, cannot be used for the *mitzvah* of matzah nor is it generally eaten on Passover.

**The Seder Plate**

The roast shankbone and egg symbolize the Paschal lamb and festive offering in Temple times. The parsley (*Karpas*) dipped in salt water, the bitter herbs (*maror*), and mixture of apples, nuts and wine (*charoses*), recall the servitude and toil of our ancestors in Egypt. Please note that romaine lettuce may be used for *maror*.

**Counting of the Omer**

The Counting of the Omer begins on the second night of Passover, and continues each evening until Shavuot. The *Omer* was a measure of barley which was offered at the Temple on the second day of Passover after which it was permitted to eat from the new harvest.

During the period of counting the Omer, many tragedies occurred. Thus weddings, and other celebrations involving music are avoided. There are special days exempt from the prohibition.

**Shir HaShirim**

On Saturday morning, the seventh day of Passover, the Biblical book "Song of Songs" is chanted preceding the reading of the Torah. This series of songs by King Solomon is a poetic illustration of the love of G-d for His people, Israel.

**Chometz After Passover**

Chometz products in the possession of a Jew during Passover are considered "chometz she'aver alav ha-Pesach" — prohibited products held during Passover. We are not permitted to derive any benefit from them.

**Shabbos Shekolim Appeal**

Our annual appeal is made on behalf of over thirty institutions of Torah in the Holy Land and in the United States. We urge all our readers to participate in this vital effort for the worthy and needy Yeshivos.
