CHANUKAH BEGINS TUESDAY NIGHT DEC. 18

The Chanukah lights are to be placed on the left side of the street entrance to one's home — facing the *mezuzah* on the right door post. (This custom is observed by many in Israel.) In the diaspora the Chanukah lights are placed at the window facing the street. If one's residence is more than thirty feet above street level it is preferable to place the lights near the left side of the entrance within the home, since above thirty feet the objective of *Pirsum Haness* (publicizing the miracle) is not fulfilled. The preferred placement for the Chanukah candles is between one foot and one meter from the floor.

The first candle is placed at the extreme right of the *menorah*. Each night following an additional candle is placed to the left of the previous one. However, the order of

lighting the candles is from left to right — so that the added candle is kindled first.

The Chanukah lights should last a half hour into the evening. On Friday the Chanukah candles, which are to be kindled before the Sabbath candles, should be extra large in order to last over an hour — Sabbath-size candles are recommended. On Saturday night the Chanukah candles are kindled at home after Havdalah.

ASARAH BETEVES FAST THURSDAY, JANUARY 3

This fast commemorates the beginning of the fatal siege of Jerusalem by the armies of Nebuchadnezzar, King of Babylon, which culminated in the destruction of the first Temple in 586 B.C.E. Selichos prayers are said in the morning and a penitential portion of the Torah is read both at the Shacharis and at the Minchah services.

One morning service will be at 6:45.
